

Performing The First Noel

This arrangement of The First Noel is part of a package of materials found at A Pennywhistle for Christmas. (<http://mugglinworks.com/pennywhistle/>)

The package consists of a musical score for the instrument playing the solo, this sequence of picture diagrams for the pennywhistle, a demonstration recording, and the background track (in mp3 and aiff formats).

The arrangement for The First Noel follows this pattern...

Introduction - (The solo instrument doesn't play.)

If you follow the score (or picture diagrams) while listening to the demonstration recording, you will see how each section is played.

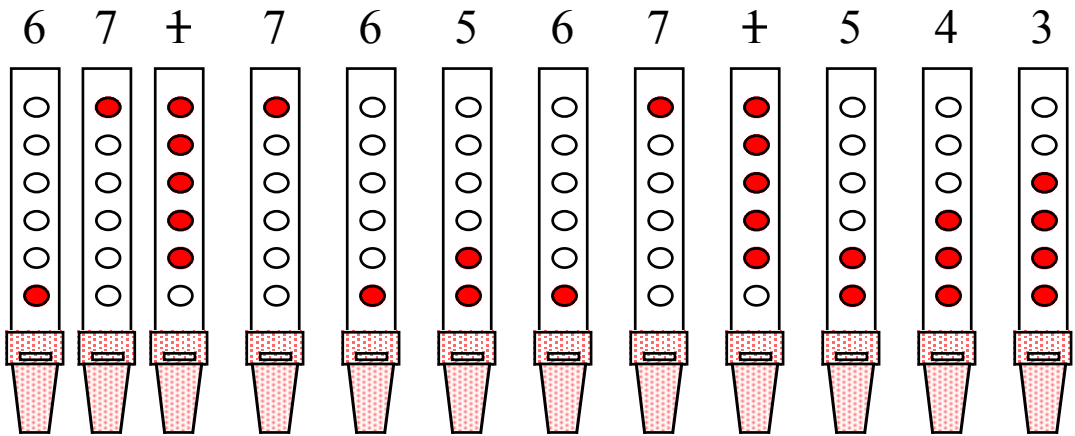

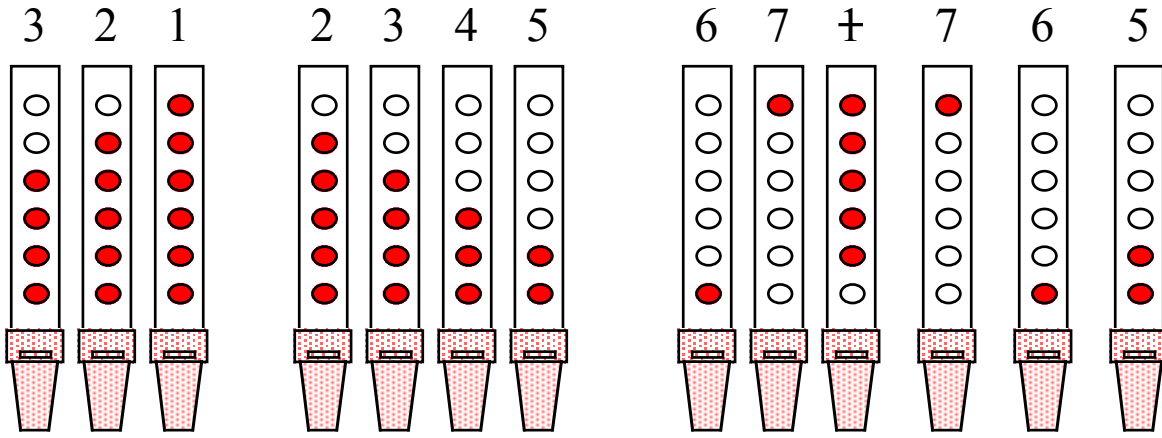

If your sound system allows you to mic the whistle, and add some reverb, you might find it an interesting sound.

(The demonstration recording was made with a Susato whistle.)

Have fun!
