(An adaptation of the story written by J. M. Barrie.)

“High Sea Robbery”

Song

Song #9 - High Sea Robbery

Pirates

*We've made an obsession out of our profession
And we practice it twenty-four hours a day
We're out to getcha and when we catch ya
We'll take every bit of your treasure away*

Captain Hook

*Oh, me mates, scan the sea
If there's a sail in sight, then report to me*

Pirates

Yo ho, yo ho

*'Cause we still got plenty of room in the hold
For very precious metals like silver and gold
And it's just like robbing a floating bank
And the other crew will join us or walk...
the plank!*

*We don't feel sorrow from the folks we borrow from
We're just doing business in the usual way
To get our profits up we'll make you cough it up
Hand over all that you owe us today*

Captain Hook

*Oh, me mates, look what I see
A rich Spanish galleon sailing right at me!*

Pirates

Yo ho, yo ho

*'Cause we still got plenty of room in the hold
For very precious metals like silver and gold
And it's just like robbing a floating bank
And the other crew will join us or walk...
you know what—heh, heh!*

*'Cause we've made an obsession out of our profession
And we practice it twenty-four hours a day
We're out to getcha and when we catch ya
We'll take every bit of your treasure away
Yo ho, yo ho!*
