### "It's a Mystery"

Script Excerpt and Song

*Miriana*

Tell me, Yllona, have you had any more dreams...  
about the lost Prince?

*Yllona-Belle*

(a little sadly) No. I searched all over the Castle,  
but I never found him. Maybe...  
it was just a dream after all.

*Miriana*

Oh... I'm really sorry.

*Yllona-Belle*

He called to me with such sincerity.  
I almost felt like I knew him.

*Miriana*

Are you sure you didn't?

*Yllona-Belle*

I don't know. It's a mystery I'll have to let go of, I guess.  
Love is like that, you know.

*Miriana*

What do you mean?

### Song #13 - It's a Mystery

*Yllona-Belle*

*Words can't explain it, but the heart still knows  
Though none can tell you where it comes or goes  
It's a mystery you and I can't say  
At the same time near and far away  
And the wonder of it is  
How it lives and lives and lives*

*Love has a pathway all its very own  
Love walks a highway known by Love alone  
Ever distant, far beyond the stars  
Yet as close as breath and breathing are  
And there's a wonder that it gives  
As it lives and lives and lives*

*But the words I sing are only words  
And though I've chosen them as best I could  
Still I can't begin to tell of things  
I've never understood  
Things I've never understood  
Never understood*

*Still I keep on wondering things I cannot know  
Love is high above me, yet it reaches far below  
And I am caught in Love's strong, pure embrace  
Everywhere I am, and every place  
That's where Love is, that's where Love is  
And it's a mystery beyond words*
