“March of the Toys”

Song

Song - March of the Toys

*The girl in red is a China doll
The senorita arrived from Spain
Just to the right is a little maid from Hong Kong
Next to the model trains*

*Every little toy in the Toy Shoppe
It doesn't matter where you're made
Every little toy in the Toy Shoppe
Join the parade!*

*Up on the shelf there's a doll house from England
Beside the doll house a book about cars
And further on there's a bright red telescope
So you can see the stars*

*Every little toy in the Toy Shoppe
It doesn't matter where you're made
Every little toy in the Toy Shoppe
Join the parade!*

*There's something here for every boy, every girl
who likes to play with toys from faraway lands
We bring you toys from the USA, Canada
Europe, Asia, India, Africa, Japan
And many other lands
And all the toys we have were painted by hand*

*Every little toy in the Toy Shoppe
It doesn't matter where you're made
Every little toy in the Toy Shoppe
Join the parade!*

*Every little toy in the Toy Shoppe
It doesn't matter where you're made
Every little toy in the Toy Shoppe
Join the parade!
Come join the parade!
Come join ___ the parade!*
