#### Song #5 - Song of the Workers

All of the Townspeople

Look up! The sun is shining  
The world is bright with possibility  
Don't knock away the chances  
that come when you see opportunity

Townsperson Soloist 1

How do you know if a dream that's been planted  
may someday stand strong and tall

Townsperson Soloist 2

What if the day comes when all you've invested  
turns out to be well worth it all

All the Townspeople

Turns out to be more than you thought it would  
(More than you thought it would)  
Oh-oh-oh-oh

One step, and then the next one  
and you'll have walked half a mile before you're through  
Each one accept the challenge  
and do the work that's been given you to do

Townsperson Soloist 3

First a brick, then a wall with a window  
A chimney rising above

Townsperson Soloist 4

When you finish the house you've imagined  
fill it with life, fill it with love

All the Townspeople

Turns out to mean more than you thought it would  
(More than you thought it would)  
Oh-oh-oh-oh

Look up! The sun is shining  
The world is bright with possibility  
Don't knock away the chances  
that come when you see opportunity  
Oh, when you see opportunity
