

# Alphabet Street

“Everybody in! It’s time for the Taxi Cab drive. Let’s go!”

I drive the Taxi Cab on Alphabet Street  
Where every house is a different letter  
Come ride with me on Alphabet Street  
And you can learn your alphabet a bit better

ABC... DE... FG... HIJK...  
LMNOP... QRST... UV... WXYZ

“All right. Let’s do it again!”

Let’s turn around again and go back down Alphabet Street  
Cause we have reached the other end of town  
Come ride with me on Alphabet Street  
Soon you’ll have your whole alphabet down

ABC... DE... FG... HIJK...  
LMNOP... QRST... UV... WXYZ

ABC... DE... FG... HIJK...  
LMNOP... QRST... UV... WXYZ

Come ride again with me on Alphabet Street!

“See ya later!”
